Past students are most definitely welcome, as are beginning storytellers, and anyone in between. Through exercises and learning story techniques, we'll be bringing our stories to life. We'll learn to play in the double-ended Kerry style, but also go over the more modern "top down" approach to playing jigs, reels and other tunes. We'll play along with recordings and also check out some of the masters. Feel free to email me ahead of camp if you want advice on what to purchase, but you can also use a pizza box and a stick!
